

VAND Outcomes Committee

A. Organization

1. This Committee will consist of VAND members who represent the following areas of the profession: inpatient, outpatient, private practice, academic, internship director and public health.

The Chair will report to the State Policy Representative. This position is a non-voting position and has a two year tenure the first as Chair-Elect.

2. The members of the Outcomes Committee will serve for three (3) years and be staggered to allow more seasoned members to be on the committee when new members join. The term of the Outcomes Committee will coincide with VAND's fiscal year.

3. The Chair will appoint a committee member to take minutes. The original minutes will be given to the SPR and Secretary to keep with Board reports. Copies of the minutes will be given to the committee members. [L]
[SEP]

B. Responsibilities

The Outcomes Committee will:

1. Meet by teleconference or webinar at least quarterly. [L]
[SEP]
2. Identify and report on existing and future studies and efforts to measure the impact RDNs have [L]
[SEP] on the profession and on promoting the health of Virginians.
3. Participate in developing the Strategic Plan by having a committee member be part of the Strategic Planning Committee.
