

The Commission on Dietetic Registration (CDR) has switched to a paperless system for prior approval of Continuing Professional Education (CPE) activities.

All Activities and their supporting materials are now submitted directly to the CDR Database by the organizations contact, and then reviewed by the (state name) affiliate reviewer online. Activity verifications are generated by the CDR CPE Database.

*Click the link below to access the Prior Approval CPE Guidelines and the Online CPE Database.*

#### [Prior Approval CPE Guidelines](#)

**Fees:** \$10.00 per credit hour reviewed for live activities taking place in Virginia. (*Please note:* A \$25.00 expedited review fee will be added for applications submitted less than 30 days from the program start date.)

**Billing:** Upon submission of your CPE Prior Approval application you will be contacted by the Virginia Affiliate live activity reviewer regarding the applicable fees and payment instructions. Payment can be made via check or credit card.

**If you have any questions, please contact the Virginia Academy of Nutrition and Dietetics at [eatright.virginia@gmail.com](mailto:eatright.virginia@gmail.com) or call 703-815-8293.**
